

## Corrigendum-2

1. The agency will be responsible for identifying and getting allotment of suitable plot in the name of CEPL for storage of 80kt coal at MCHP, Paradip Port. All necessary permissions from various authorities will be responsibility of the agency. The same shall be completed by 15th April 2022. The statutory charges (CRC) will be paid by CEPL.
2. The agency shall be responsible to obtain Port storage license in the name of CEPL from Odisha Mining Dept. including amendments if any required, before 15th April 2022. CEPL shall provide necessary documents for application. All liasoning and coordination shall be responsibility of the agency. FD and application fee will be provided by CEPL however all liasoning and coordination will come under the agency's scope.
3. Agency shall closely monitor overloading, demurrage and dead freight due to under loading to avoid penalty on the owner.
4. Agency shall assist in hiring the suitable gearless Panamax vessel from Paradip Port to VOCPT Port at Tuticorin when the entire 20 rakes/80kt coal has arrived at Paradip Port. Agency will be responsible for all liasoning and coordination with all the concerned and ensure no-demurrage or pre-berthing penalty is incurred. All the statutory charges (VRC) will be borne by CEPL. Vessel charges at actual will be paid by Owner.
5. The agency shall be responsible to deliver RR quantity at Tuticorin Port. If the difference between B/L quantity at Discharge port and cumulative RR quantity is more than 1% of allowed tolerance, then the penalty will be levied on the agency which is equal to landed cost of coal at Tuticorin Port.
6. CEPL shall appoint IIA for the Sampling & Inspection at MCL rail siding and at Tuticorin Port while unloading from the vessel. The results of the same shall be binding for both the parties for commercial settlement. In case of deviation from guaranteed GCV (ARB) as per MCL (G12 - Spur 1&2), the following will be applied  
**Quality Penalty/Bonus clause**
  - i. Rs 100/- PMT as penalty if GAR value falls below 3300
  - ii. Rs 50/- PMT as penalty if GAR value falls in the range of 3301 – 3400
