

## **RFQ for supply of COAL**

We invite you to submit your competitive offer for our requirement of 60 KT +/- 10% of steaming (non-coking) coal on GST basis with below terms & conditions.

The coal is intended for use in our 2 x 600 MW thermal power plant situated in Tuticorin, South India for supply of power to **Energy Exchange**.

1. **Quantity:** 60,000 MT +/- 10% tolerance from readily available stock at Tuticorin. Despatch to commence not later than 9<sup>th</sup> April

2. **Payment:**

Cash & Carry basis wherein 90% payment in advance will be released for concluded quantity and balance 10% will be released after necessary Forex, Q&Q adjustments.

3. **Delivery:** 100% DO to be released on the day of remittance of 90% payment.

4. **Specification:**

Our preferred coal will be from Kideco / Adaro / BMB mines. However, we may consider other origin / off spec high ash cargos along with low GAR Indo coals. Our typical requirement is for 4200 GAR with max 20% Ash, 0.4% Sulphur and can be achieved by blending multiple coals.

Kindly submit the Complete set of recent COAs (Proximate, Ultimate & Ash) along with mine name for technically assessing suitability of the offered cargos in our plant.

**Request you to submit your offers latest by 1500 hours IST on 7th April'22 with validity until 1500 hours IST on 8th April'22.**

All other terms & conditions as per our standard contract (sample attached).  
Looking forward to your competitive offer at the earliest.
