

RFQ for supply of COAL

We invite you to submit your competitive offer for our requirement of 120 KT of steaming (non-coking) coal on GST basis with below terms & conditions. The coal is intended for use in our 2 x 600 MW thermal power plant situated in Tuticorin, Tamil Nadu.

1. **Quantity:** 120 KT from fresh shipments arriving TTN Port or readily available stock at Tuticorin.
2. **Vessel:** Vessel with draft restriction of 14 metres. Panamax vessels will be given preference. **In case of gearless vessel, additional cost incurred for discharge is to be borne by the Supplier.**
3. **Stevedore:** Mutually agreeable Stevedore to be appointed & paid by you directly. Min discharge rate of > 12,000 MT PWWD SHINC.
4. **Port:** Tuticorin Port, ECI.
5. **ETA:**

Cargos should arrive TTN port from 10th Dec`22 onwards and weekly arrival would be preferred.

Cargo should arrive TTN port not later than 5 days from committed ETA. In case of any delay, LD @ 0.1% of coal value per day will be levied or the loss due to risk purchase whichever is higher.

6. Payment:

90% payment or part thereof will be made after necessary documents are provided by the Seller for vessel berthing, custom clearance and proof of non-encumbrance on the coal. Buyer will endeavor to make payment for entire vessel within 30 days from vessel discharge at TTN.

The coal from our concluded vessel / quantity cannot be sold to any third party for a period of at least 90 days without our prior written consent of the Buyer.

Balance 10% will be released after necessary Forex, Q&Q adjustments.

7. **Delivery:** DO (100%) shall be released immediately for the extent of payment (90% value) made.
8. **Despatch Rate:** Seller should maintain the Min despatch rate of 300 trucks per day to the plant or else suitable LD will be levied.

9. Specification:

Our preferred coal will be from Kideco/Adaro/BMB mines. However, we may consider other origin / off spec high ash cargos along with low GAR Indo coals. Our typical requirement is for 4200 GAR with max 20% Ash, 0.4% Sulphur and can be achieved by blending multiple coals.

Kindly submit the Complete set of recent COAs (Proximate, Ultimate & Ash) along with mine name for technically assessing suitability of the offered cargos in our plant.

Request you to submit your offers latest by 1700 hours IST on 9th Dec'22 with validity until 1700 hours IST on 12th Dec'22.

All other terms & conditions as per our standard contract (sample attached).
Looking forward to your competitive offer at the earliest.
